Sub: Specialised training to be organised jointly by APRERA and Building and Construction Authority, Ministry of National Development, Singapore

Greetings,

Andhra Pradesh Real Estate Regulatory Authority (APRERA) is committed to development of Real Estate Industry in A. P. State and fast emerging as a leader among all State RERAs. One of the major initiative by APRERA is to join hands with **Building and Construction Authority, Ministry of National Development, Singapore**, to upgrade the technical and managerial skills of professionals of A P State, in the cutting edge technologies, and systems.

In this context, it has been decided to offer six specialized courses, covering the construction & real estate development. 1st training program is scheduled to be held during first week of March'2019 at Singapore. The head of the organizations are being requested to nominate officials from their department, sending us the details as per the enclosed Nomination Form, latest by 15th February, 2019. The details of topics are enclosed.

AP-RERA shall shortlist and screen the candidates for making further referrals.

Looking forward to your positive response.

Sincerely Yours,

V. Ramnath
Chairperson
